

Bibby Ship Management (Western Europe) Limited

Offshore opportunities

DECK AND ENGINEER OFFICERS (ALL RANKS)

Bibby Ship Management (Guernsey) Limited - Currently have permanent vacancies for Deck and Engineering Officers (All Ranks) to serve on board Cayman registered, new build, PSV's, operating predominantly in the North Sea sector, with British / European Officers and crew.

Candidates for senior ranks must have substantial offshore sea-service on similar vessels, and Masters will need to demonstrate specific PSV experience. A DP licence would be a distinct advantage for other Deck Officers but is not essential.

You will also hold all the necessary STCW Certification and hold the appropriate and fully unrestricted home country Medical Certificate.

The working pattern is a 28 days on / 28 days off with an excellent Salary and Benefits package available for the successful applicants.

If you meet the criteria and are interested in working with a dynamic market leader, please email your CV and sea service record to our Agents and Crew Managers, Bibby Ship Management (Western Europe) Limited at:-
