

Seafarers AWARENESS WEEK 20-28 June 2015

Seafarers Awareness Week is the annual campaign coordinated by Seafarers UK - the charity that supports the maritime community - to raise awareness of Britain's dependence on seafarers.

This year's theme is

Opportunities to Work at Sea

promoting education, training and recruitment services leading to employment in the Royal Navy and Merchant Navy - including container and other cargo vessels, fuel tankers, cruise ships, ferries, superyachts and workboats.
