

NEW POSITION

# Operations Leader

**Location:** London, UK

**Duration:** Permanent

**Salary:** Excellent Salary & Benefits

## Position Details

### The Role – Senior Operator

The Senior Operator is part of a small operations team in and is responsible for ensuring all assigned voyages are executed effectively and efficiently consistent with the terms of the fixture.

As a key member of a small organisation the role involves exposure to and responsibility for a wide range of pre and post fixture activities, including, but not limited to, participation in the pre-fixture process, recap assessment, tank cleaning, cargo planning, post fixture matters such as voyage instructions, bunker purchasing, agency appointments, voyage monitoring and optimisation, dealing with LOI, claims and invoicing.

The role has a number of key relationships internally and externally including, brokers, commercial operators, technical managers and other Group businesses.

The role also involves supervising and assisting more junior members of the team and contributing to their development.

### The Company

Our client is a UK based owner and operator of a growing fleet of product and chemical tankers. The company runs a fleet of tankers focusing on the clean petroleum products trade in West Africa, as well as a number of tankers trading in the international markets. We provide our clients with secure, efficient, cost effective and flexible transportation of refined petroleum products and vegetable oils.

### Key skills

- Organised
- Attention to detail
- Self-motivated
- Good communication skills and stakeholder management
- Proficiency with Microsoft Office applications

### Qualifications/Experience Required

#### Essential:

3-5 years relevant experience in commercial tanker operations

#### Desirable:

Member of International Chartered Shipbrokers

Sea-going experience on oil tankers, chemical tankers
